

## 14TH INTERNATIONAL CONFERENCE ON EXPLORING SERVICE SCIENCE

Service Science to promote intelligence augmentation

7-9 Feb

Masaryk University (Brno, CZ)

**CONFERENCE PARTNERS** 

MUNI FI

kyndryl

website: https://iess.online

8:30		Registration
9:00	Opening session	<b>2.4 IESS Workshop introduction</b> D. Ho, M. Leonard, J. Spohrer, L. Walletzký
9:30	Plenary session	Transforming Businesses, Industries, and Governments What is the "Best" Service System Ecology Strategy in the AI Era?  J. Spohrer (founder of Service Science)
10:00		Coffee break
10:30	Workshop	Invited Speakers & Q&A  Mission oriented: Innovation in the public sector and regional development  R. Bízková (ISFOR, Institute for Society 4.0)  How to Support Transdisciplinary Service-oriented Startups  T. Pitner (Academic Director, Masaryk University, CERIT)  Mainframes in the modern world  A. Malý (Kyndryl)
12:00		Lunch break
13:00	Workshop	Invited Speakers & Q&A  The Power of Data in Modern Product & Service Management P. Minařík (VP of Technology at Progress)  Delivering great services with limited time and resources O. Materna (Founder & CEO of Legito)
		How to fund research and development in a start-up? What are the risks involved?  J. Bocian (CEO of 22@Sense Partners)
14:30		·
14:30 15:00	Workshop	J. Bocian (CEO of 22@Sense Partners)

Secondary   Company   Co			
Opening session	8:30		Registration
Penary Session Session Support (founder of Service Science) Service platform for Smart Cities M. Svitek (prof. at Czech Technical University of Prague)  12:00 Paper Session Czech Republic T. Schwarzová, L. Walletzký, M. Ge, P. Procházka A Review of Al-Based Trust Management in Smart Cities J. Ohnesorg, N. Fakhoury, N. Eltahawi, M. Ge  13:00 Multiple Case Study: Municipal Waste Management Smart Solutions V. Çekani, G. Guazzo Fair behavior in Autonomous Ecosystems: a monetary approach D. Halasz, D. Kusnirakova Towards Trust-Based Grust Dynamic Ecosystems D. Kusnirakova, B. Buhnova  14:30 Paper Session  15:30 Smart Healthcare & Pharmacy (chair: L. Carrubbo) Novel Ways to Analyse and Cope Alert-Fatigue Phenomenon in Intensive Care Units S. Rozenes, A. Fux, L. Kagan, M. Hellerman, B. Tadmor, A. Benis Intelligence Augmentation and capability oc-elevation in healthcare L. Carrubbo, A. Megaro Improving Access to Prescription Based Care through a Patient Centered Smart Pharmacy Ecosystem N. Badr, M. Khiami  15:30 Carignani, L. Celmente, F. Bifulco  16:00 Paper Session  16:00 Paper Session M. Heidari, D. Verderesse, M. Saviano The impact of the Rijksstudio on the museum business model as tool for value creation F. Carignani, L. Clemente, F. Bifulco	9:00		Minister of the environment (video) <b>Kyndryl welcome</b> Maria Falkiewicz-Gancarz (VP Kyndryl Czechia) <b>IESS 2.4 Conference welcome</b>
Smart Society, Smart Citizes & Smart City within Digital Era   F.Caputo		,	Past, Present, and Future Research Questions J. Spohrer (founder of Service Science) Service platform for Smart Cities M. Svitek (prof. at Czech Technical University of Prague)
Fostering Citizens' Engagement in Smart City within Digital Era F.Caputo Application of Context-driven Methodology for Implementing the Smart City Concept in Czech Republic Z. Schwarzová, L. Walletzky, M. Ge, P. Procházka A Review of Al-Based Trust Management in Smart Cities J. Ohnesorg, N. Fakhoury, N. Eltahawi, M. Ge  Lunch break  Multiple Case Study: Municipal Waste Management Smart Solutions V. Çekani, G. Guazzo Fair behavior in Autonomous Ecosystems: a monetary approach D. Halasz, D. Kusnirakova Towards Trust-Based Governance of Smart Dynamic Ecosystems D. Kusnirakova, B. Buhnova  Smart Healthcare & Pharmacy (chair: L. Carrubbo) Novel Ways to Analyse and Cope Alert-Fatigue Phenomenon in Intensive Care Units S. Rozenes, A. Fux, I. Kagan, M. Hellerman, B. Tadmor, A. Benis Intelligence Augmentation and capability co-elevation in healthcare L. Carrubbo, A. Megaro Improving Access to Prescription Based Care through a Patient Centered Smart Pharmacy Ecosystem N. Badr, M. Khiami  15:30  Paper Session R. Heidari, D. Verderese, M. Saviano The impact of the Rijksstudio on the museum business model as tool for value creation F. Carignani, L. Clemente, F. Bifulco	11:30		Coffee break
Hoster corner  Poster corner  Roster	12:00	•	Fostering Citizens' Engagement in Smart City within Digital Era F.Caputo Application of Context-driven Methodology for Implementing the Smart City Concept in Czech Republic Z. Schwarzová, L. Walletzký, M. Ge, P. Procházka A Review of AI-Based Trust Management in Smart Cities
V. Çekani, G. Guazzo Fair behavior in Autonomous Ecosystems: a monetary approach D. Halasz, D. Kusnirakova Towards Trust-Based Governance of Smart Dynamic Ecosystems D. Kusnirakova, B. Buhnova  Smart Healthcare & Pharmacy (chair: L. Carrubbo) Novel Ways to Analyse and Cope Alert-Fatigue Phenomenon in Intensive Care Units S. Rozenes, A. Fux, I. Kagan, M. Hellerman, B. Tadmor, A. Benis Intelligence Augmentation and capability co-elevation in healthcare L. Carrubbo, A. Megaro Improving Access to Prescription Based Care through a Patient Centered Smart Pharmacy Ecosystem N. Badr, M. Khiami  15:30  Coffee break  Smart Tourism & Local commerce (chair: J. Falcão e Cunha) Preserve Local Commerce and 'Made in Italy' in Global E-commerce Era: The Case of Cishoppo C. Pagano, C. Pipino, D. Squillante, G. Rocco, L. Carrubbo Examining the smart tourism ecosystem from the lens of sustainable value co-creation and neuroscientific approach M. Heidari, D. Verderese, M. Saviano The impact of the Rijksstudio on the museum business model as tool for value creation F. Carignani, L. Clemente, F. Bifulco	13:00		Lunch break
Novel Ways to Analyse and Cope Alert-Fatigue Phenomenon in Intensive Care Units S. Rozenes, A. Fux, I. Kagan, M. Hellerman, B. Tadmor, A. Benis Intelligence Augmentation and capability co-elevation in healthcare L. Carrubbo, A. Megaro Improving Access to Prescription Based Care through a Patient Centered Smart Pharmacy Ecosystem N. Badr, M. Khiami  15:30  Coffee break  Smart Tourism & Local commerce (chair: J. Falcão e Cunha) Preserve Local Commerce and 'Made in Italy' in Global E-commerce Era: The Case of CiShoppo C. Pagano, C. Pipino, D. Squillante, G. Rocco, L. Carrubbo Examining the smart tourism ecosystem from the lens of sustainable value co-creation and neuroscientific approach M. Heidari, D. Verderese, M. Saviano The impact of the Rijksstudio on the museum business model as tool for value creation F. Carignani, L. Clemente, F. Bifulco			
Smart Tourism & Local commerce (chair: J. Falcão e Cunha) Preserve Local Commerce and 'Made in Italy' in Global E-commerce Era: The Case of CiShoppo C. Pagano, C. Pipino, D. Squillante, G. Rocco, L. Saviano The impact of the Rijksstudio on the museum business model as tool for value creation

9:00		Registration
9:30	Paper session	Smart HR, Recruitment & Education (chair: M. Leonard)  Smart recruitment for workers with disability: A systematic literature review  F. Shahzad, M. De Marco, L. Varriale  Technology for Sustainability in the Educational Context: A portrait of the Italian Universities  P. Briganti, T. Volpe, E. Veglianti, L. Varriale  Mapping the journey for the digital revolution in the sphere of education through examining the future progress of technology  A.R. Gagliardi, P. Magliocca, F. Caputo  An innovative blockchain-based system for human resources digitalization with traceable relationship management  C. Pipino, G. Rocco, C. Pagano, A. Cipriano
11:00		Coffee break
11:30	Paper session	Value-driven & data-driven smart applications (chair: M. Drăgoicea)  Value-Driven Industry Transformation: Leveraging Open-Source to Establish new Standards  B. Steffen, E. Duparc, T. Tegeler  Customer journeys and process mining – challenges and opportunities  R. Halvorsrud, F. Mannhardt, O. Prillard, C. Boletsis  Empowering Service Systems through Intelligence Augmentation (IA) in Digital Society  C. Bassano, F. Caputo, P. Barile, P. Piciocchi
12:30		Lunch break
13:30	Closing session	<b>Awards' recognition &amp; Future plans</b> J. Spohrer, M. Leonard, J. Falcão e Cunha, D. Ho, L. Walletzký, M. Drăgoicea, L. Carrubbo
14:30		Tour in the city center (optional)
